

Friends of Colchester Music Meeting, April 11, 2016

Members in Attendance

Marie, Janet, MaryFran, Angela, Tyler, Martie, Laura, Emily, Melissa, Leora

Teacher Updates

- *Tyler* - Principal is purchasing keyboards for classroom, and school will be getting new riser blocks (still not enough for a concert). Next year's schedule will have another section of 3rd grade and 4th grade.
- *Martie* - appreciated flowers at district concert. FCM and teachers are so grateful for all of her hard work. Had a great circus artist in residence event, though there were some issues due to scheduling and timing.
- *Emily* - CMS going on a school field trip Friday. New schedule details for next year are not solid, but look better for our Band and Chorus classes.
- *Melissa* - excited about theatre renovation. Successful concerts in March. Heading to NY Memorial Day weekend.
